

Toc H Sevens 1927

[Pinned to Mark II Notice Board after Sevens Victory to remind members that sport is not everything]

Give eye, give ear
Look well, list hear
And inwardly digest
Your Jobs, find the jobs for you
And you must do the rest

Think ye, o think
Mark well the ink
And paper here displayed;
Twas not for nought
This ink was bought
(Though 'twere of second grade)!

Mark Well, Mark II,
Let not dull care
Our pleasures intervene
Our Social Service
Must come first
We've got to be dead keen!

The Compass Points
Full four there be
In diaries well displayed
Mark well, Mark II,
Point 3 to see
The issue not delayed
